

STATEMENT OF PURPOSE

RS19470

The Idaho Legislature passed, and the Governor signed, the Idaho Legend Drug Donation Act (Sections 54-1761, 54-1762, and 54-1763 of Idaho Code) in 2009. In writing rules for these statutes, the Idaho Board of Pharmacy and other interested parties determined that amendments to these statutes were required in order to draft rules that were workable. The purpose of this amendment to Idaho Codes 54-1761, 54-1762, and 54-1763 is to make changes to these statutes that conform to the rules that were finally negotiated between the Board of Pharmacy and other interested parties.
